

# TACKMAT™

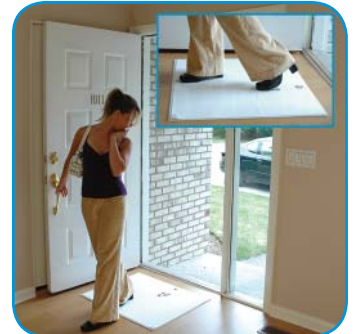

CONTAMINATION CONTROL MATS

Used in **CLEANROOMS** and **MEDICAL** facilities

Used during **CONSTRUCTION** projects

Keep your **HOME's** floors and carpets free from dirt.

- Reusable frame with non-skid backing
- Just drop in place on any floor surface

**TackMat™** is comprised of 60 layers of adhesive-coated film, compressed into a mat that is only **1/8" thick** and attached to a non-skid, reusable frame.

## MINIMIZE CLEANUP COSTS

TackMat provides the most effective dirt and dust removal method available in a mat. With two footsteps onto a TackMat™, **94.73% of the dirt particles are removed** from the shoe surface. The non-transferring soft tech acrylic captures the dirt, where it is securely held until discarded.

Each layer is numbered to ensure one-sheet-at-a-time removal and to indicate the number of remaining layers. Each layer will perform many times before it must be peeled away. When all 60 layers are used, a refill mat can be easily applied to the reusable frame.

**EASY REMOVAL** of soiled layers

## TACKMAT™

with reusable frame

Size	Item #	Price/unit	4 units	12 units	24 units	48 units
24" x 30"	60SFF	\$57.95	\$56.45	\$54.95	\$51.95	<b>\$49.95</b>
48" x 30"	60SFD	\$109.95	\$107.95	\$105.95	\$103.95	<b>\$98.95</b>

## TACKMAT™

### REFILLS

Replacement sheets for TackMat™ frames

Sticks directly to any hard clean floor or reusable TackMat™ frame. The 48" x 30" TackMat™ requires two sets of 24" x 30" replacement sheets.

Size	Item #	Price/unit	4 units	12 units	24 units	48 units
24" x 30"	60RS	\$49.95	\$47.48	\$46.45	\$44.95	<b>\$43.95</b>
